

**HKTDC Hong Kong Electronics Fair (Autumn Edition) 2014 &  
electronicAsia 2014**  
**Special Notice to Exhibitors and Buyers**

- Despite recent incidents in Hong Kong, Hong Kong continues to be a safe city with inbound and outbound flights operating normally.
- Within Hong Kong, the Wanchai area is not affected and the Hong Kong Convention and Exhibition Centre (HKCEC) is also operating normally.
- The HKTDC Hong Kong Electronics Fair (Autumn Edition) and electronicAsia (13 to 16 October 2014) will continue as planned in Hong Kong Convention and Exhibition Centre (HKCEC), Wanchai.
- To minimize any inconvenience that may arise from traffic disruption in certain areas, we are working with relevant parties and authorities on measures. **Fair attendees should allow extra time for commuting and are highly encouraged to travel to HKCEC by MTR and Star Ferry to avoid possible road traffic congestion.**
- The free shuttle bus service between the HKCEC and major areas of the city will be enhanced as well. Please click this [link](#) to check the free shuttle bus schedule.
- Subject to the completion of booth construction work, exhibitors in certain exhibition halls would be able to move in early. Individual exhibitors will be notified of the move-in arrangements in due course.

**For enquiries on exhibitors' move-in arrangements**
