About the Speakers 講者簡介:

Dr Hing Wo Tsang

Senior Technical Services Manager, SGS Hong Kong

Dr Tsang’s expertise in depth is restricted substances and chemicals in consumer products. He is supporting the technical aspects in Hardlines, ranging from regulatory requirements to chemical projects. He works closely with multi-disciplinary teams and provides consultancy services to international clients; including California Proposition 65, CPSIA, formaldehyde emissions in composite wood products under CARB, jewellery, food contact materials and products, Toy Safety, REACH and Rohs. Dr Tsang has delivered a number of seminars on regulatory compliance in Asia, Europe and the US. He is also a regular contributor on chemical related topics to Safeguards, the SGS technical bulletin concentrating on new product standards, regulations and test methods.

Mr Dominic Hui

Lead Engineer, Energy Efficiency, Intertek Testing Services Hong Kong Ltd

Mr Dominic Hui is the Lead Engineer of Energy Efficiency Development in Intertek Testing Services Hong Kong Ltd.

He is involved in the Energy Efficiency testing since 2009, including EU ErP program, Energy Star, MEPS in Australia, HKEELS, etc. He frequently participates in different Energy Efficiency seminars in Hong Kong, Mainland China and Japan as a speaker, and also in technical meetings with government departments, environmental groups and R&D companies providing technical advice.

Mr Beat Kreuter

General Manager, DEKRA Testing and Certification China

Beat Kreuter a Swiss citizen is currently General Manager for DEKRA Testing and Certification China in Shanghai and is also responsible for all product testing and certification activities of the DEKRA Group in Asia.

Beat Kreuter has been active in the testing and certification field for the last 20 years. Before joining DEKRA he has been working for Nemko, TUV Rheinland in China and Taiwan. He started his professional carrier with Montena EMC in Switzerland back in 1993 before moving to Asia in 1997 where he spent the last almost 15 years in various places amongst other in Taiwan, Guangzhou and since 2003 in Shanghai.
