Speakers 講者簡介

Anne Yeung, Founder & CEO, OneChain Limited
OneChain Limited 創辦人兼首席執行官 楊恩瑜

Anne Yeung is the Founder and CEO of OneChain, a Hong Kong-based blockchain startup. With over 15 years of entrepreneurship experience, specializing in branding and digital transformation, Anne has successfully served over 50 multinational companies. As a Certified ESG Planner (CEP®), she is dedicated to leveraging blockchain technologies for ESG development and promoting sustainable practices in businesses. Passionate about Web3.0, Anne established OneChain in late 2021 to provide innovative blockchain solutions and drive digital transformation for enterprises.

Florian M Spiegl, Founder & CEO, EVIDENT Capital

As the Founder & CEO of EVIDENT, Florian, seasoned innovator and entrepreneur, is pioneering an investment platform that brings alternative assets with purpose at scale into the mainstream, leveraging web3 technology. In the past, Florian served as CEO and board member of Hunter Technology Corp, a publicly listed commodities trading technology company, and earlier co-founded FinFabrik, a Hong Kong-based blockchain solutions startup that was acquired in 2020. Championing the positive impact of capital, Florian actively invests in innovative, purpose-driven ventures. He is also a co-founder of the Hong Kong FinTech Association, teaching the FinTech MBA course at Hong Kong University, and has served on the FinTech Advisory Board of the Securities and Futures Commission of Hong Kong. Florian holds a PhD and studied Economics and Political Science in Vienna.

Jade Liao, Impact Investing Analyst, QuantBlock
QuantBlock 影響力投資分析師 廖文倩

Jade Liao is an advocate for incorporating blockchain technology into ESG implementation. With a background in asset management and a current role as an apprentice Impact Investing Analyst at QuantBlock, Jade possesses the expertise to bridge sustainability with profitability. She has been actively following the interactions among ESG, AI and Blockchain, and actively overseeing the latest business models and market trends in digital transformation and sustainability. Her mission is to create positive social impact by harnessing blockchain's transformative potential within the ESG framework while concurrently inspiring and empowering women to excel in these traditionally male-dominated sectors.
